## Our Grand Annual

# Tomorrow, Saturday, at 8:30 O'clock Sharp, Begins Mid-Winter CLEARANCE SALE

Everybody recognizes in this annual event the greatest bargain opportunities of the year, and they are never disappointed. Adhering strictly to our policy never to carry stocks from one season to another causes this grand semi-annual slaughter. We believe in starting each season with a brand new stock. The heavy discount purchases we received this season will assist us in making this sale a towering triumph. Thousands upon thousands of dollars worth of fine Winter Footwear and Rubbers, hundreds of pairs of Slippers, remnants of the recent immense purchases, go on sale at **One-Third Their Actual Value.**

This is the season of the year when all broken lots, short and poor selling lines are crowded out of our store at one price or another. All this class of merchandise must find new owners at once, our store being closed all day yesterday to mark these goods to make this immense sacrifice. At this sale you will buy at retail at prices actually lower than this immense organization can secure at factories on lots amounting to hundreds of thousands of dollars. We do not count it a loss during house-cleaning time; it's a gain to us as well as a gain to you. Read the bargain list and then you will realize why thousands of shoppers flock to these annual house-cleaning sales.
